Directions to Strood Yacht Club

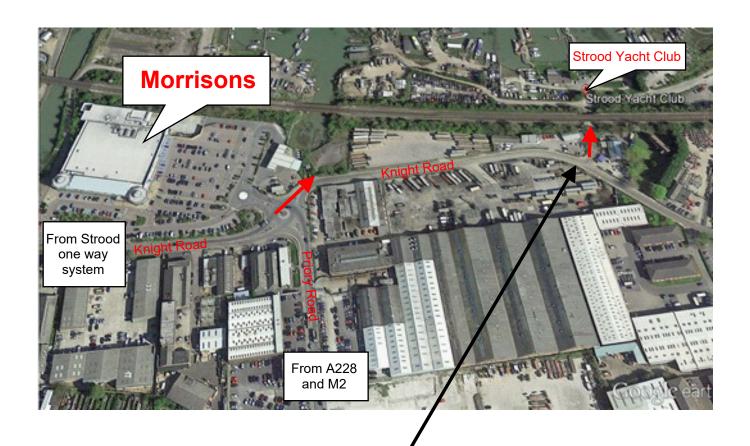

From the A2

Head to Strood town centre. From the one way system, turn into Knight Road opposite McDonalds and go past Morrisons. At the roundabout near the petrol station go straight across continuing on Knight Road. Take the first turning left, go under the railway bridge. SYC's gate will be facing you.

From M2 Junction 2 take A228 towards Rochester/Strood.

Follow A228 straight across the first roundabout then past an Esso garage (on right). Keep on A228 until you go down a hill to a small roundabout (hump) almost beneath a railway bridge.

Turn right under the bridge and then keep to the right and straight on towards the Morrisions supermarket. At the roundabout in front of Morrisons petrol station, turn right (the main road goes left) into an industrial area. Take the first left and go under the railway bridge. SYC's gate will be facing you.

Turn left off Knights Road at this junction. Go under the railway bridge and Strood Yacht Club is straight ahead.
